Directions to the UK sites:

From the M62 J.25

Exit the M62 at J.25 and take the A644 East following signs for Huddersfield. At the junction with the A62 take the A62 South into Huddersfield. Bear left of the A62 onto the B6432 (St Andrew's Road) following signs for the Galpharm Stadium. Continue South on St Andrew's Road past the junction with the traffic lights. Cummins Turbo Technologies' Aftermarket Division is on Croset Avenue off to the left. Continue along St Andrew's Road and Cummins Turbo Technologies is on the right just before the junction with Quay Street/Turnbridge Road.

From the M62 J.23

Exit the M62 at J.23 following signs for the A640 into Huddersfield. Take the A640 until you reach the A62 ring road, bearing left onto the A62 going clockwise around Huddersfield. Exit the A62 ring road onto Lower Fitzwilliam Street. At the Junction with the A62 (Leeds Road) follow signs for the Galpharm Stadium and continue onto Gasworks Street. Turn right onto St Andrew's Road. Cummins Turbo Technologies' Aftermarket Division is on Croset Avenue off to the left. Continue along St Andrew's Road and Cummins Turbo Technologies is on the right just before the junction with Quay Street/Turnbridge Road.

From the M1 J.38

Exit the M1 at J.38 and take the A637 North-West following signs for Huddersfield. Continue on the A637 at the roundabout with the A636. At the roundabout with the A642 take the first exit onto the A642 heading West. The A642 joins the A629, follow this into Huddersfield, turn right onto the B6432 St Andrew's Road (before the roundabout with the A62 ring road). Cummins Turbo Technologies is on the left just after the junction with Quay Street/Turnbridge Road. Cummins Turbo Technologies Aftermarket is on Croset Avenue off to the right further up St. Andrew's Road.

By Rail

Huddersfield Station is about 10 mins away by taxi. National Rail Enquiries: +44 (0) 8457 484950

Parking
